

**Adventure Day Leadership Program**  
*Student Questionnaire*

Dear Student,

This questionnaire is designed to help you prepare for the Adventure Day Leadership Program. During the program, you'll be working in teams to solve fun and challenging problems. In order to solve these challenges, it will be helpful to think creatively and work together. Please answer the following questions.

**1. Give 3 “real life” examples of teams. (Do not give sports teams!)**

example: construction workers (electricians, plumbers, roofers)

example: a group of doctors and nurses working in surgery
